Engineering	h 14.00 Why study at DIET?	h 14.00 Structural and Geotechnical Engineering	h 14.00 Master's degrees @DII: work opportunities and employment data	h 14.00 Industrial Bioengineering and 16.00
	h 14.30 Computer Science	h 14.50 Environmental and Land Engineering^b	h 14.30 Autonomous Vehicle Engineering	h 14.40 Materials Engineering and 16.40
	h 14.50 Biomedical Engineering	h 15.30 Hydraulic and Transport Systems Engineering	h 15.00 Naval architecture and Marine Engineering	h 15.20 Chemical Engineering and 17.20
	h 15.10 Automation Engineering and Robotics	h 16.10 Building Engineering	h 15.30 Mechanical Engineering for Energy and Environment	
	h 15.30 Communications and Digital Media Engineering	h 17.00 Transportation Engineering and Mobility	h 16.00 Mechanical Engineering for Eesign and Production	
	h 15.50 Electrical Engineering		h 16.30 Management Engineering	
	h 16.10 Electronic engineering^e		h 17.00 Aerospace Engineering	
	h 16.30 Computer engineering		h 17.30 Question time	
h 16.50 FAQ e closing				

The courses with the same subscript (a, b, c) provide for the internal Double Master's Degree. (d) The course provides for Double Master's Degree with École Nationale Supérieure d'Architecture Paris Malaquis (France). (e) The course provides for Double Master's Degree with University of Lodz (Poland).
